

# **GRACE SCHOOL ANTHEM**

## **(verse 1)**

*The new beginnings,  
the finest of feelings,  
the chance of defining the future.  
The fountain of knowledge,  
the greatest of this age,  
we feel it's a chance to be part.*

## **(bridge)**

*We lift our hands up high,  
and we know you'll take us higher..*

## **(chorus)**

*'cause this is Grace, Grace,  
the grace of our lord,  
it's greater than the sun,  
it's greater than the mountains.  
Grace, Grace,  
the grace of our lord,  
we feel it in our hearts,  
it's nothing like a lie.*

## **(verse 2)**

*In the new age of thinking,  
the genius is winning,  
we call problem solving,  
a way of life.  
The meaning of learning,  
the true sense of thinking,  
we take all these words to be light.*

## **(bridge)**

## **(chorus)**

## **(verse 3)**

*We sing with pride and joy,  
we trust in God always.  
Oh lord,  
Grant us wisdom,  
to save this nation,  
for ever and ever amen.*
